Rockets Win Two!

The 1977 Kelloggsville football team was plagued with minimal numbers and injury. Playing in a league dominated by larger schools helped make victories a rare treat. The energy and committment of this years junior class plus the presence of some talented sophomores promises a new direction for the future. Someday, the football players hope to breath the same air that occupies the Silverdome.

Seniors Win! 14-6

The Powder Puff game was an exciting part of Homecoming week. Two weeks before the scheduled event the girls of each team began calisthenics and learned the fundamentals of football.

The coaches of both teams out-did James Bond as they ran to opposite practice fields collecting frivolous information. Despite the fun and fighting it was evident that the coaches worked hard when the gun sounded.

Added entertainment for the spectators were the shapely and sexy cheerleaders. The guys dressed in girls uniforms to help portray a true football game with the roles switched.

Winning the game was important to both the Juniors and Seniors. The teams were tense and ready to fight to defend their class. The first six points were scored in the second quarter by the Juniors. At half-time the Seniors thought all was lost when the score remained 6-0. The Seniors tied it up in third quarter and scored another touchdown along with two extra points in the fourth quarter to clinch a win of 14-6.

One of the highlights of the year was the dual meet between South Christian and Kelloggsville, who were tied for first. Through a united team effort we won 27-28.

The team also finished seventh in the regional meet in Lansing. The two top runners, Rick Cline and Ken Porter, qualified for the State meet in Sturgis, Michigan, where they both finished 25th.

Female Dribblers

Inexperience and youth characterizes this year's Varsity team. With only two seniors playing and two sophomores on the team, the players performed well at times and learned throughout the year. The younger girls gained valuable experience this year in hope of improving and building in future years.

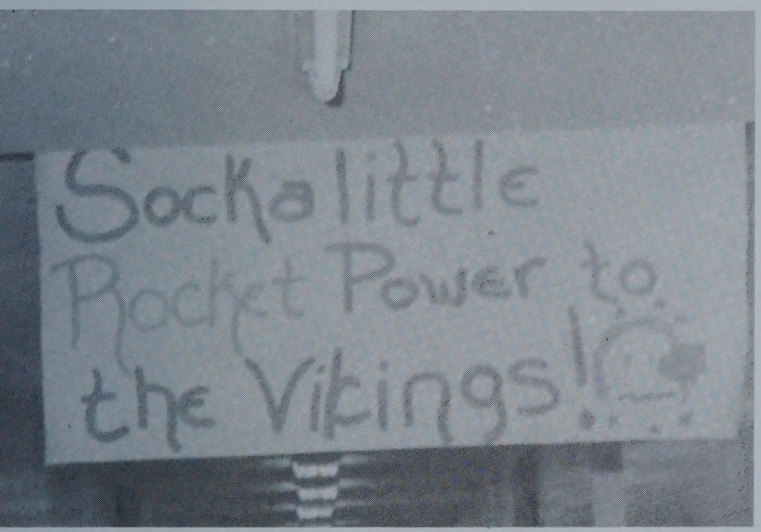
Spirit Week



Spirit reached its peak this year during the week of February 13-17. This was the week that the Varsity Cheerleaders sponsored Spirit Week. The activities were different this year. Each class was given its own individual day on which to show their spirit. Monday the Freshmen wore orange and blue. On Tuesday the Sophomores also wore orange and blue, and on Wednesday the Juniors did the same. The Juniors also wore spirit tags to show their spirit. Thursday it was the Seniors chance to show their spirit. They wore clashing clothes and blew on kazoos. Friday the teachers wore orange and blue. Through the week all halls began showing the tension of the steadily rising spirit. On Friday a third hour pep assembly was held and WOTV came and filmed it for the news that evening. All the classes, teachers, and Varsity cheerleaders did a skit. The cheerleading skit, being the final skit, was when the trophy for the most spirit was awarded. The Seniors won, but they felt the whole school deserved it and gave it to everyone. The Rocket spirit was so great through out the week that the team won its first game of the season against Wyoming Park; 59 to 56

The week before October 7 was a hectic time for many people at K.H.S. On Monday the Powder Puff game was won by the Senior girls. On Tuesday the girls Basketball team lost to Kenowa Hills. A bonfire was the highlight of Wednesday night. The Freshman and Junior Varsity entertained with football on Thursday night.

The latter led to Friday night and the Homecoming Game against Zeeland, which we lost 6 to 27. At halftime the crowd was treated with the presentation of the Class Floats. The Seniors tried something new this year and competed but the Sophomores won. The theme of the floats was "commercials".

To end the exciting week on Saturday the Seniors hosted the underclassmen with the Homecoming Dance. It was held in the Gym and dinner was served beforehand. The group Entourage entertained the dancers for the evening.

Kevin Kersjes and Julie Szarowicz, King and Queen of '76-'77, returned to crown the King and Queen of '77-'78, Mark Taylor and Laurie Taylor.

Overall the week was a total success.

This year we had an exciting experience at the Josten's American Yearbook Workshop. Taught by professionals, we learned the proper and modern way to design a yearbook. We learned new graphic ideas and won an award in graphic design.

We would like to thank the staff, faculty and all involved, and a special thanks to Mr. Fish for helping us put together the 1977-78 Century.

The Ski Club goes every Wednesday night to Cannonsburg. It is a fun time and beginners are welcome.

Evening In Paris

The theme for this year's prom held April 29, 1978, at Fairway Estates was ''Evening in Paris''. The atmosphere of a French cafe' was created through red brick, blue stars, huge paper flowers and a lamp post reading: ''Champs Elysees'' and ''Place Vendome''.

A varied array of music was played by ''Slow Gin''. French pastries, cake and punch were served.

This year's Junior-Senior prom was surely a success with as many as 250 in attendance.

Times of Your Life

Good morning, yesterday;
You wake up, and time has slipped away.
And suddenly it's hard to find
the memories you left behind, remember.
Do you remember

the laughter and the tears,
The shadows of misty yester-years?
The good times and the bad you've seen,
and all the others in between, remember.
Do you remember the times of your life?

Reach back for the joy and the sorrow,
Put them away in your mind;
For mem'ries are time that you borrow
To spend when you get to tommorow.
Here comes the setting sun;
The seasons are passing one by one.

So, gather moments while you may;
collect the dreams you dream today, remember.
Will you remember the times of your life?

Do you remember, baby, do you remember
the times of your life?

Florida or Bust!

The journey began at the West parking lot on March 31, 1978. The Seniors, along with Mr. Bloye and Co., came heavily laden with luggage and rations of food for the trip. The long, tedious, bus ride started at 6:00 and they arrived in Orlando at 7:30. The 25 1/2 hour ride had its ups and downs; one down being the broken air conditioning which was fixed in Toledo, Ohio. Periodically, they stopped for food and new bus drivers, one of whom they'll always remember, Duane; he made their trip extra special.

At the Sheraton Twin Towers the Seniors quickly unpacked and enjoyed their first night in Florida. This was their schedule of events: Sunday they went to Busch Gardens to enjoy rides, animals, and free beer. Monday they visited the Magic Kingdom, followed by a Tigers game. Tuesday was a sun filled day at Daytona Beach, many returned crispy critters. Wednesday was free day with a Luau at the Polynesian Village where they enjoyed a gorgeous setting, exotic food and a native dinner show. Thursday they traveled to Wet n' Wild, a water playground. Friday it was back to Disney World. Saturday they spent the morning and early afternoon at Sea World. The trip was nicely arranged by Phillips Tours, with enough attractions and free time to suit all.

After the weeks' activities, no one held great anticipation for the bus ride home or leaving Flordia, but with sun tans, souvenirs, and oranges, the Seniors left for home. The class felt great unity and happiness throughout the trip and the memory will be cherished always.

Skip Day

Skip Day started out cloudy but turned to sunshine. It was held at Hoffmaster Park on June 5, 1978. The seniors ate hamburgers and relaxed a while before throwing the chaperones in Lake Michigan. The day was enjoyed by all as being the seniors last informal gathering.

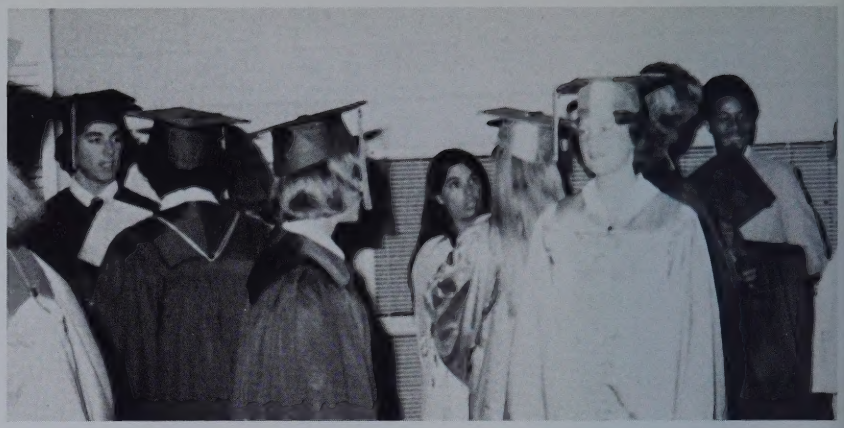
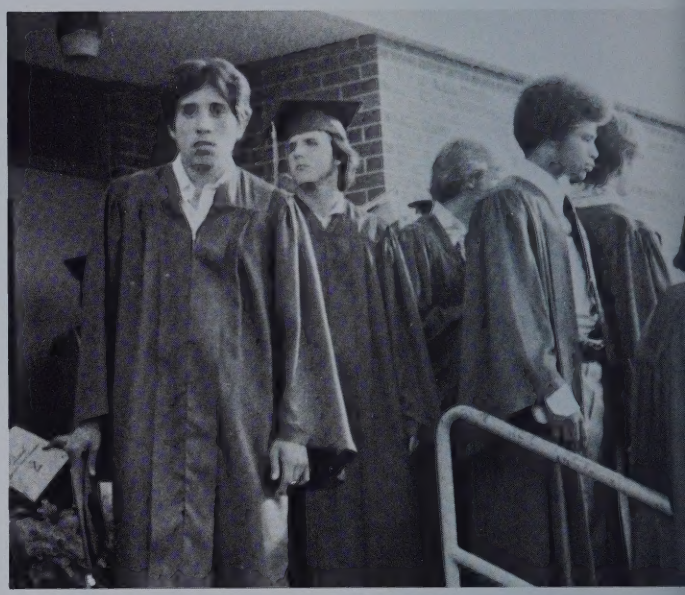
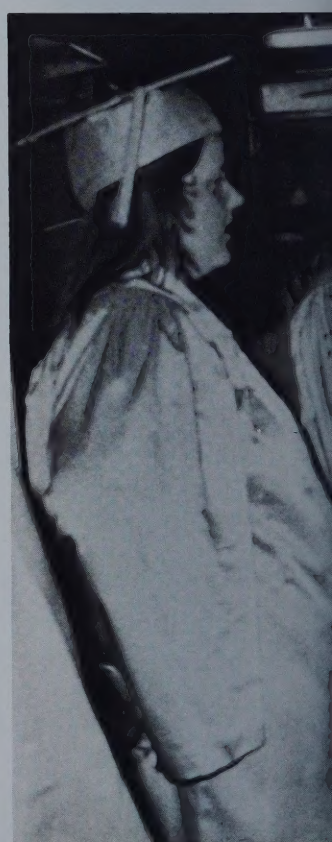
Graduation

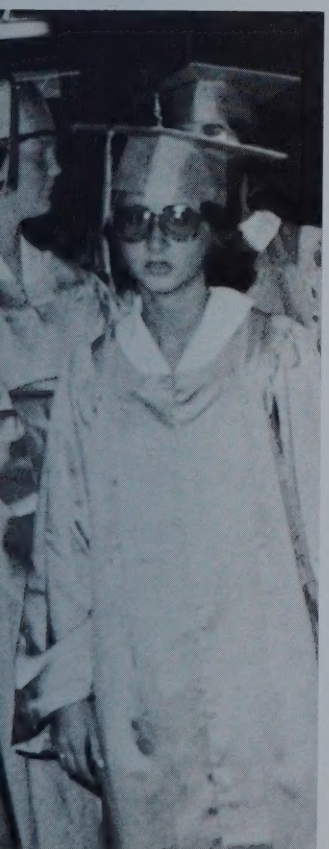
A unique thing happened to the Class of 1978; their graduation was cancelled and postponed due to a tornado watch.

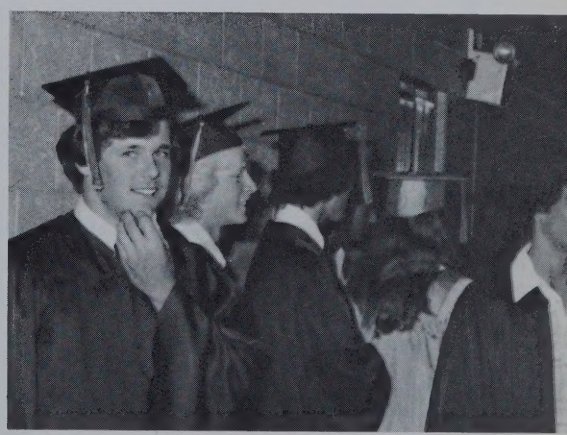
Friday, June 9, 1978 was a beautiful day. At 8:00 the band began the processional "Pomp and Circumstance." The ceremony was a solomn one for all involved. Together, the class sang "Times of Your Life." The tassels were turned and the seniors were dismissed for the last time. Benediction was given by Mr. Fred Gallert.











We, the editors, say good-bye to our fellow classmates. With eyes toward the future don't forget to look back and remember the Graduated Class of 1978. See ya in five years!
